

## UNDER CABINET EUFORI 800 WALNUT WITH BASIN

pdf.articlenumber 401410252

Bathlife Eufori walnut is a stylish vanity cabinet with washbasin that gives a natural and warm feeling with its wood-patterned surface. The cabinet is made of melamine-coated MDF and the accompanying washbasin is made of white porcelain. The cabinet provides stylish and smart storage in the two drawers (4 drawers in width 1200 mm) that are soft closing.

The top edge of the drawer fronts is bevelled to make the drawers easy to open. The Eufori vanity unit is available in several different widths.

The furniture is delivered fully assembled including a porcelain washbasin and a chromed bottom valve.

NOTE! Mixer not included, available for purchase.

### PDF.CARE.INSTRUCTIONS

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
